DIRECTOR: WHITE HOUSE SITUATION ROOM

SUBJECT: THE MILITARY SITUATION IN SOUTH VIETNAM

REF:

[REDACTED]

25X1C

Communist-initiated military action remained at a generally low level on December 23 with only sporadic fighting reported in scattered sections of the country. Government units around the recently-recaptured high ground south of Hue have been hit with light counterattacks, but casualties have been few and no territory has been lost. Government troops atop Nui Ba Den continue to be the target of heavy shellings, but new efforts to resupply these troops should stabilize the situation.
